YOUTH WEEKS

2018 YOUTH WEEKS MISSIONS OFFERING

Two Millionth Meal Celebration

This is our eighth summer packaging meals for Haiti, and we are excited about a major milestone our campers have helped us reach: We will package our 2 millionth meal this summer!

Our goal is to package 250,000 meals, and receive \$62,500 in offerings to pay for the food to be packaged. We know this can be done. It's a God-sized task, but the students who have attended Youth Weeks the last seven summers have proven we can meet the challenge! We are not only packaging food to feed the hungry, we are also providing a way for the gospel of Jesus Christ to be shared with those receiving the meals. Go God!

We are asking youth groups to start NOW in helping to reach our goal for 2018. Plan a prayer meeting to pray for the House of Abraham. Decorate an offering container with pictures of the children from House of Abraham. Share with your church that we are now supporting three villages, one hospital and two schools plus the House of Abraham with these meals. One church put the container in their church and asked for spare change. They were so excited to bring so much more to camp than they had the previous summer. Hold a fundraiser where the proceeds will be used for the 2018 mission offering. Use your imagination; let the students be creative in how to help the needs through this offering to Jacmel, Haiti. We offer appreciation to the many churches last summer that received special offerings during Vacation Bible School to help reach our goal in 2017.

God has been doing more than we can imagine these last seven years as we took an hour or two out of one afternoon while at camp to package meals that are shipped to Haiti. Missions at Caswell is impacting another country! Let's celebrate what we get to be a part of this summer. Go God!
